with Atrium Health

Blue Local with Atrium Health¹ is a good option if you wish to get care from Atrium Health and its affiliated doctors and hospitals. Since the majority of doctors in this plan are in the same health care system, it's easier for them to work together on your behalf.

BLUE LOCAL with Atrium Health offers:

- A provider network that includes Atrium Health Levine Children’s Hospital, which is nationally ranked in eight specialties;² Carolinas Medical Center, which was named the “Best Hospital” in the Charlotte metro region for the seventh straight year;³ and 40 hospitals and more than 1,400 care locations.⁴
- A provider network that includes more than 2,700 physicians;⁵ Atrium Health Wake Forest Baptist Medical Center; an academic medical center; five community hospitals; Brenner Children’s Hospital; more than 300 primary care and specialty clinics;⁵ and one of only three comprehensive cancer centers in North Carolina.⁶
- All doctors outside the Atrium Health provider network are considered out-of-network and not covered for Blue Local with Atrium Health, including: CaroMont Health, Cone Health, Novant Health and their affiliated providers. Out-of-network benefit coverage is not available except for emergency services, urgent care and for medically necessary covered services when an in-network provider is not reasonably available per the access to care standards of Blue Cross and Blue Shield of North Carolina (Blue Cross NC).
- Out-of-state providers are also out-of-network and not covered. When traveling outside of North Carolina or the United States, only emergency services and urgent care will be covered at the in-network benefit level. All other non-emergency services will be out-of-network and not covered.
